Our guide welcomes your group at 9:30 for a visit of the Cluny Abbey: from the Abbey park to the monks' granary, including the Maior Ecclesia and the 18th-century cloister. The tour ends in the medieval town, which still contains around 150 homes from the middle ages.

LUNCH IN CLUNY

In the afternoon we take off for Berzé-la-Ville, where we visit the monks' chapel, decorated in the middle ages by the artists who painted in Cluny. A drive through the vineyards of the Mâcon area and wine-tasting at a local winery.

End of our services after the wine-tasting.
